

CANDIDATE TO JOIN FEDENATUR

One of the aims of the European Federation of Natural and Rural Spaces in Metropolitan and Peri-urban areas (FEDENATUR) is to establish contact with managers of these spaces with a rich and varied environmental quality within metropolitan areas. The Federation integrates those metropolitan and peri-urban spaces with a protective legal body of an urban planning, environmental or equivalent in each framework of the different European states. We wish to establish deeper contact with spaces that have a certain standard of organisation in their management (article 2 of the statutes).

The candidate dossier shall contain:

- Candidate minute* and letter of request*
- Statutes/articles of the natural space
- Legal protection regulations
- Statutes / articles of the managing organization
- Organization chart*
- Areas of responsibility*
- Environmental protection and other activities*
- Budget of the previous year
- Appended documents*: press-book, publications, brochures, exhibitions made, etc.

Those entities not being managers of Periurban Natural Spaces, willing to joint as associated members should only satisfy the pieces marked with *.

We inform you that the annual membership fee of FEDENATUR is 2000 € for fully entitled members and 1000€ for associated members. Should you be interested in joining the Federation, please send your dossier to the Head Office of Fedenatur before the next General Assembly.
